MINUTY

**“CHÂTEAU MINUTY IS AMONG
THE BEST PRODUCERS
IN THE REGION.”**

- JOHN MARIANI, FORBES

A HISTORICAL PROVENCAL ESTATE, FAMILY-OWNED SINCE 1936:

Belonging to the Matton-Farnet family for 84 years, this “Cru Classé” estate is the only family-owned winery to produce Côtes de Provence wines of international acclaim. Since 1990, brothers Jean-Etienne and François Matton (third generation) have continued to raise the quality and reputation of Minuty to higher levels.

LOCATED ON THE BREATHTAKING SAINT-TROPEZ PENINSULA:

Overlooking the iconic Bay of Saint-Tropez, the winery is remarkably well situated on the hillsides of the villages of Gassin and Ramatuelle where the vines benefit from a temperate, maritime climate. Château Minuty is surrounded by 60 hectares of continuous vineyards on calcareous, schisted soil, with an additional 80 hectares on limestone soil in Vidauban and a further 20 hectares on the hillsides of Valderian in Ramatuelle. A bottle of Minuty is an invitation to experience the French riviera lifestyle, to feel the sun and immerse oneself in the unique Provençal region!

IN SEARCH OF EXCELLENCE:

Minuty is defining what a great luxury rosé should be. The Matton brothers are not interested in making more wine, and will never venture outside of their Côtes de Provence home. Minuty aims for truly distinct and outstanding wines from their estate holdings. That is their vision of the future.
